	Resolved Question School - happy when it starts again?
<input type="checkbox"/>	I'm happy to go back because I get to see all of my friends again. And hopefully make new ones too.
<input type="checkbox"/>	I'm ecstatic as well. I'm really excited to be seeing my friends again, and to meet new people! But... not so happy because I love summer! And also, I don't wanna wake up so early :-(
<input type="checkbox"/>	I'm always happy when school starts again and the children are back in school. The house is quiet. I can have ice cream whenever I want and I can go to an early movie on my day off :-))
<input type="checkbox"/>	I'm anxious about going back to school because it's a new school, so I have to start over. I won't know anybody there...
<input type="checkbox"/>	My last real summer break was 10 years ago. Enjoy your holidays while you have them because when you start working, you won't have so many!
<input type="checkbox"/>	I'm glad to go back to school because during the summer I have to work with my dad on a farm. But I'm a little nervous though.
<input type="checkbox"/>	Same for me, Angie. I've only just moved to San Francisco and I must say I'm pretty nervous about meeting my new schoolmates. Plus, my sister has left for college, so I feel quite lonely.
